

CORPORATE COLLECTION

At Winston Flowers, we believe it's all in the details. Flowers and plants can set the tone for any space, whether you're looking to convey a positive brand image to clients or create a welcoming workspace for your colleagues. And fresh flowers are not just beautiful—adding plant life to the office is proven to reduce stress and contribute to a healthy, productive work environment.

When you choose the Corporate Collection, our master designers will create custom arrangements each week or month to suit your space and your preferences. We source only the most exceptional flowers and plants of the season, use local products whenever possible, and present our designs in exclusive specialty vessels—available only to members of the program. Our displays are an effortless way to make an impact, arriving at your door each week with dependable deliveries and Winston Flowers' signature 5-star service.
