## CLIENT AND EMPLOYEE GIFTS

The holiday season is the perfect time to appreciate the people who have made the year great and your business a success. Saying thank you to clients and employees with flowers is a wonderful way to show your appreciation for their contributions and look forward to a great 2024. We can work within your budget to say thank you, in the perfect way.

## EVENTS

For many businesses this is the best time of year for appreciating your clients and employees with wonderful events such as galas, awards ceremonies, dinners and parties to name a few. Let us at Sylvia's - Amling's Flowers assist you in designing just the right event decor to create the feeling and ambiance you envision.

## INTERIOR DECOR

Keep your office space looking elegant and inviting with fresh floral arrangements in reception areas, offices, lobbies and accents around your unique location. We will work tirelessly to identify areas in your space that will have the greatest impact and create a beautiful decor this holiday season.
