Holiday Event Collection

The Event Collection

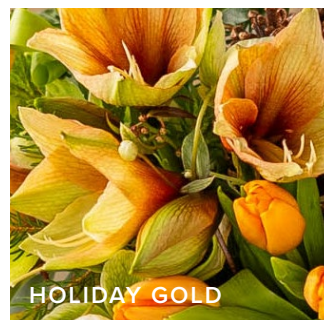

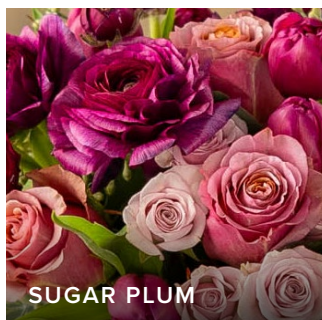

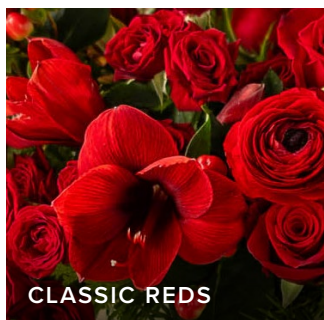

Bring the holidays to life at your next meeting, luncheon, or celebration with the Winston Flowers Event Collection. These festive and versatile arrangements are designed by our expert florists to elevate any event with color and artistry.

The Event Collection sets the stage for an unforgettable holiday affair with cocktail table and buffet displays in addition to centerpieces designed with best-of-day blooms. Our arrangements are crafted with the loveliest premium flowers available—from timeless classics like roses and ranunculus to specialty seasonal blooms—in the color palette of your choice.

Customized flowers are available for an additional fee.
